#### [Day 3: Aswan / Nile Cruise \(Every Friday and Wednesday\)](#)

- Early check-out after breakfast and transfer to Cairo Airport for flight to Aswan.
- Arrival Aswan Airport meet your Guide.
- Start Aswan visits
- **High Dam:** The Dam is 3600 meters long, 980 meters thick at base and 111 meters tall (at its highest point). The waters of Lake Nasser, the world's largest man-made lake, have amassed behind it. It provides irrigation water and electricity for the whole of Egypt.

Located 13 km south of Aswan, the High Dam is usually included on south Aswan daytrips itineraries. These tours can be booked through your hotel or through any tour operator in town.

- **Philae temple:** This beautiful temple complex is one of the most picturesque in all of Egypt. It sits on Aglika Island just south of the old Aswan Dam and you must ride a water taxi to the island to get to the temple. The temple was moved to its current location following the construction of the High Dam, which threatened to submerge it permanently.
- After visit transfer to the Cruise for check-in.
- Overnight on board of the cruise in Aswan
